Final report by Rainer Kuehn

The 24th Deaflympics 2021 for Bowling was held in Kuala Lumpur.

Malaysia had taken over as the organizer at short notice. It was a good attendance of bowlers from 16 countries with 3 different regions participating there.

We used 48 bowling lanes, all of which ran smoothly.

The participants showed excellent performances in all competitions.

I thank the Malaysian organizing committee of Kuala Lumpur from the bottom of my heart and also the hearing people with their many wonderful people.

Volunteers who were brilliant from start to finish.

Everything went very well. Also, to the IT team who worked very hard to create the website.

Photos and full results of all events can be found on the website.

I look forward to seeing more promising players in the future.
